Voilà Hotel, the hotel ready to welcome back its professional clientele

Bagatelle Mall, March 1st, 2024. Voilà Hotel, the 3-star business hotel, reopened its doors at Bagatelle Mall on January 29th after a month of renovations. The establishment unveils itself with a refurbishment of its 118 rooms, six meeting rooms, reception area, and restaurant, all carefully redesigned to create a revitalized ambiance. Every detail has been reconsidered to ensure guests have both productive and relaxing stays. Additionally, the hotel's restaurant has introduced a new menu.

Béatrice Fabre, director of Voilà Hotel, stated, «The establishment reopens with renewed vigor. This reopening, with refreshed meeting rooms, comes in the context of a general recovery in the MICE (Meetings, Incentives, Conferences and Exhibitions) segment in Mauritius, requiring a quality stay offering. Furthermore, our restaurant, open from breakfast to dinner with a revised menu, aims to be a friendly place to grab a coffee in the morning between meetings, relax with colleagues after a long day of work, or dine during your shopping at Bagatelle Mall.»
